

If you can't attend in-person worship, for whatever reason, online worship is always an option! The bulletin blast will always include a link to the St. Christopher's Facebook page: <https://www.facebook.com/St-Christophers-Episcopal-Church-Springfield-VA-227976857216388/> You can also get to the page anytime by going to the church website and clicking on the little blue Facebook logo underneath the contact info.

You do *not* need a Facebook account to view live video on Facebook! Just follow the link to the page, then click play on the video. It will be pinned to the top of the page and named by the service type and date, for instance “Holy Eucharist - January 9, 2022.” If you want or need to view the recorded service later, it will be available on our Facebook page shortly after the livestream ends.

If you have trouble getting to the live service on your computer, tablet, or phone, please contact Diem Miller at sccparisha@gmail.com or Deb Kim at ddoehrkin@gmail.com so one of them can talk you through the process before the following Sunday.
